MEET A MEMBER

Peggy Loisel and her husband joined Cheverly Village in 2017. Sadly, Ron, Peggy's husband of sixty-seven years, passed in 2018. Peggy met Ron at a USO event when he was in the Army/Air Force. Ron was in the band and she liked to dance—a perfect match. In 1963, the Loisels settled in Cheverly where they raised their four sons. She now has nine grandchildren and six great-grandchildren.

Peggy is a local lady growing up in Bladensburg, Maryland, where she lived with her parents and three siblings. She has many interesting stories to tell about the local area, since she is a long-time resident. Her stories about driving a PG County school bus for over twenty-six years are particularly entertaining. She is still very familiar with county streets and in her own way can function as a GPS.

Peggy is a fun-loving person. She likes socializing, now on the phone, and watching old TV Westerns. She especially enjoys playing Bingo and can't wait until Cheverly Village members and volunteers can gather again to play Scrabble, cards and other board games.
