CHEVERLY VILLAGE EVENTS

Cheverly Village continues to recommend that masks be worn at our indoor events. However, if the gathering is small and all attendees affirm that they have been vaccinated, you may agree to not wear masks. If anyone is hesitant about not wearing masks, all should wear them. When indoors at a public place like the American legion, or in groups with unknown vaccination status, masks should be worn. And remember to stay home if you're feeling ill in any way.
