NEW MASK MANDATES IN EFFECT!

Now it's spring and Cheverly Village has outside events planned, we have new mask mandates. The CDC recommends that **fully vaccinated people** need not wear masks outside when exercising, gathering in small groups, or dining outside; but masks should still be worn for crowded outdoor events. *(cont. over)*

(cont.) Visit the CDC at <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html> and read Angela Alsobrook's press release at <https://www.princegeorgescountymd.gov/ArchiveCenter/ViewFile/Item/3423>. You can also refer to this quick guide:

Choosing Safer Activities

Prevention measures not needed

Take prevention measures

Fully vaccinated people: wear a mask
Unvaccinated people: wear a mask, stay 6 feet apart, and wash your hands.

• Safety levels assume the recommended prevention measures are followed, both by the individual and the venue (if applicable).
• CDC cannot provide the specific risk level for every activity in every community. It is important to consider your own personal situation and the risk to you, your family, and your community before venturing out.
